

- ☐ **1. Shop Title & Branding**  
Shop name is clear, memorable, and identical on your banner, listings and packaging.
- ☐ **2. Product Titles**  
Each title contains the exact keywords buyers search, most important words first — no ALL CAPS or stuffing.
- ☐ **3. Descriptions That Sell**  
Benefits before specs, keywords woven in naturally, scannable with bullet points.
- ☐ **4. Product Images**  
Clean main image, 5+ photos per listing, lifestyle shots, sharp and zoom-friendly — no blur or watermarks.
- ☐ **5. Pricing & Profit**  
Checked against 5 competitors; price covers marketplace fees, shipping and leaves a healthy margin.
- ☐ **6. Reviews & Social Proof**  
A real plan to earn reviews, and every review — good or bad — gets a professional reply.
- ☐ **7. SEO, Tags & Categories**  
Listings sit in the most specific category; every tag and attribute field is filled with buyer keywords.
- ☐ **8. Shipping & Returns**  
Delivery times stated clearly, fair shipping cost, and a simple, fair return policy buyers can trust.
- ☐ **9. Store Trust Pages**  
About page, FAQ and easy contact info are present — buyers don't purchase from faceless stores.
- ☐ **10. Mobile & Speed Check**  
Store loads fast and looks clean on a phone — most of your buyers shop on mobile.
